WARRANTY CERTIFICATE

RS9
VAMPIR

Technicki Remont AD Bratunac guarantees that this firearm is manufactured without defects in material and workmanship and gives a Warranty Certificate in accordance with the warranty conditions from the Certificate of Warranty that accompanies each sold piece of the mentioned weapon. The warranty undertakes to rectify at its own expense all defects and imperfections caused by factory.

The warranty certificate is given for a period of :

- 3 years on plastic parts and surface protection
- 5 years on metal parts

The warranty certificate does not apply to :

- Mechanical damage to products or parts of products that are caused by the user,
- Damage or defects caused by improper maintenance and handling, or maintenance and handling contrary to the instructions for use, and non-compliance with safety conditions and user error,

- Defects caused by storage of products in inappropriate conditions,
- Damage and defects caused by the use of non-original parts or repair by an unauthorized person,
- Damage caused by the use of ammunition that does not comply with the provisions of C.I.P or SAAMI regulations,
- Damage caused by careless handling,
- Normal wear / tear of parts caused by use in accordance with the instructions for use.

The buyer is obliged to inspect in detail this firearm, when buying the product, and make sure that the product has no physical damage.

This Warranty Certificate is valid from the date of purchase of the weapon, i.e. the date entered in the Warranty Certificate certified by the seal and signature of the seller.

Recognition of the warranty is provided with the enclosed certified and signed Warranty Certificate with an indication of the place and date of sale.

Before using the weapon for the first time, the buyer is obliged to study the Instructions for use and maintenance.
